

A cost effective answer to cord & cable management.
 Wire Cable Trays are easy to mount, can be bent around corners if need be, and contain the inevitable tangle of cables around office equipment and under desks.
 Four mounting clips are attached to make fixing in place with self tapping screws straight forward.
 Checking, following or adding extra cables couldn't be easier.

Specifications

Height: 60 mm
 Depth: 80 mm
 Length: 1500 mm
 Made in 4 mm wire - Plastic Coated in Black
