

# Metz

## Executive Chair Range

The luxury look and total adjustability of the Metz range provides a chair for the discerning individualist.

- Height adjustable backrest provides the right lumbar support for both small and tall persons.
- Dual density seat cushion.
- Three backrest sizes, ie, High, Medium and Low.
- Moulded fixed or soft pad adjustable arm options.
- Synchronised seat and backrest posture adjustment with tension control.
- Optional "swivel only" mechanism for meeting room or visitor chair applications.
- Moulded or polished aluminium base options.
- Decorative 'saddle stitching' to both seat and backrest.
